

## PRESS RELEASE

### **CAPWAY GROUP ANNOUNCES THE PURCHASE OF RIJKAART.**

*Capway Systems BV has recently purchased the bakery operations of Rijkaart. The combination of Rijkaart's innovative force and the exceptional flexibility of Capway produces a solid and reliable enterprise. New product development and exceptional customer service have always been trademarks of each company, individually these will only be reinforced as they move forward. Customers, both here and abroad, are excited about this take-over and perceive it as a beneficial and logical step. Expectations in the market are high since Capway management has indicated that by combining the product development, and overall industry "know-how", the merger will most certainly lead to striking new innovations.*

#### **Engineering – Development – Production**

With Rijkaart's extended experience in the make-up equipment area and Capway's equipment experience starting after make-up and continuing up to shipping of the product the stage is set for a "everything from one source" or "one stop shop" concept. Capway Systems together with its partners can now offer complete turn key production lines for croissants, pizzas, sausage rolls, pies, baguettes, chiabatta and much more.

#### **Guaranteed service and availability**

As a member of the Capway group, Rijkaart will continue to provide service as well as the sale of spare parts for all dough processing equipment that it has supplied and manufactured in the past. Rijkaart can be reached by telephone at +31 345 623 100 or at [info@rijkaart.net](mailto:info@rijkaart.net). You can find an overview of the Rijkaart delivery program on our web site [www.rijkaart.net](http://www.rijkaart.net).
